

Franchise Tours Schedule

Wednesday, November 18, 1pm - 8pm ET
Group Sessions Tab

All brands registered to exhibit at the 2020 FBA Virtual Conference & Expo are invited to participate in the Franchise Tours being hosted by FBA co-brokers. Franchise Tours are similar to FBA's monthly Speed Round webinars; Each brand will have 5 minutes on camera to present their concept and 1 minute to answer any questions from the audience while a powerpoint slide with the brand's logo, rep's name and contact information is displayed on the screen. Brands have been grouped under different categories that best identifies those concepts for possible franchise candidates attending the show. Check the schedule below to find the time and session of your presentation. An FBA staff member will contact you through the event chat to remind you of your upcoming presentation.

**Please Note: Some brands fit under more than one category and will be presenting twice on the same day.
